Congress from the of South Carolina nst the Constitution.

ol. J. P. Thomas, J. G. Gibbes, and Col. L. D. Childs, representing the State Central Executive Committee of the Democratic party of South Carolina, came hither to present to Congress a remonstrance on the part of the white people of South Carolina against the constitution recently adopted by the Reconstruction Convention. To-day the committee appeared before the Reconstruction Committee of the from the La Crosse Democrat under the House of Representatives. Mr. Stevens head of "another Poland," and ask a poreceived them with courtesy. Col. Thom- rusal from every Carolinian. We confess The cause is charity—the sentiment as, chairman of the committee and repre- that it strikes us as the truth well and pity, and the active agent levely we writing the State Central Executive Com- bravely spoken. It is most true that the man. mittee, remarked that in analyzing the South Carolina of old, with all her spirit proposition of the constitution for South and chivalry, her reculiar civilization, her Carolina, there were two objections which public spirit, her great name and glotious the large and varied stock of elegant stood out in bold relief-unqualified negro fame, has been overwhelmed by a new suffrage and the taxation power. He ar- and Radical anarchy. Virtue has been ceived, and are offering to their friends gued to show their disactrous effects upon overthrown by vice, intelligence and high both mees. The constitution established culture by stolid ignorance, and vulgar, cash. They have, also, ladies' hats of taxation without representation. Those selfish prejudice. The high functionaries the latest styles, together with every who have no property are to tax those of the State, distinguished for learning, description of domestic goods. These who have all the property. Under the experience and integrity, have to succumb constitution, \$2,000,000 might be raised to a crew of valgar, ignorant, upstart, in the way of taxes, \$1,000,000 of which hypocritical partizans, whose only merit is is for educational purposes, and these ad- brawling professions of devotion to a vantages were to be enjoyed by the blacks wicked faction. Can such a state of slone, as white children would not attend things last? Will not the very stones of ladies' dress goods, embracing black schools. The State heretofore in its ery aloud for shame ! All this is very every description of that class of dry most prosperous days, had not been able extraordinary, but it is still more extraor- goods, from the cheapest to the highto bear a tax of more than from three to dinary that there could be found a crew est priced. Our lady friends would do which have heretofore pre-eminently distinguished thousand dollars annually, of vile vermin who think or pretend to well to give them an early call, and State, the South Carolina of the Revolution, Col. Thomas, in conclusion, said he felt it think that this great change has been a examine this fine assortment of beauto be his duty to state to the committee, change for the better-that the millenium | tiful dress goods. that while the whites are willing to con- has come-that the burning rays of an wede to the negro all of civil rights and a improved civilization are about to blaze upqualified suffrage, yet the white race on the country. Great God! they bewould never acquiesce in negro rule. "You lieve no such thing! It is all pretence for may make us pass," he said, "under the selfith purpose—the baldest hypocrisyyoke and we shall have to do so, but by could insanity or impudence further go? every means which God and Congress | We observe that it is the fashion i have left us mader the constitution and certain quarters to belittle the LaCrosse laws, we will resist this domination of an Democrat. It wields a slashing pen no Inferior race. By peaceful means, by po-doubt, it does not aspire to the style of Itical efforts, by industrial agencies, we Addison, or the Spectator. We could will carry on this political contest, until oursels sometimes wish it had a little less we regain the control which of right be- of something which sounds like Brown of Mr. W. C. Bewley, a resident of longs to the power of mind and the inite ! lowism. But we pardon the peculiarity ence of virtue. Public Meeting at Centreville.

Puremant to due public notice given, the eitimms of Centreville and vicinity, assembled together, on Saturday the 9th of May, to consult upon the grave political questions of the day, and to organize a Democratic Club. On the the President is convicted and re-relation to their innebtedness. We believe it tion of R. T. Gordan, Dr. G. F. Steifer wae was called to the Chair, and Joseph F. Black requested to set as Secretary. On moticu the Chairman was requested to appoint a committec of four to prepare business for the meeting. On motion the Secretary was requested to propare a rell for men bers of the Democratic Constitution, the following officers were unauimously elected? Dr. G. F. Steifer, President, John E. Brownlee and Robert T. Gordon, Vice-Presidents; Juseph F. Black, Secretary and Treasurer; David Kahn, Cerresponding Secretary. The following resolutions were unanimously adopted .- Resolved, That this Organization shall be designated and known se'the Centrevifle Democratic Club, and that we shall connect ourselves to the great Demoeratic Party of the State of South Carolina, sail will hold ourselves in readings to co-operate with them in meetings-in correspondense of hy delegation.

Resolved, That these proceedings be published in the Abbeyille papera. the motion the meeting adjourned to meet on the first Saturday in June at Gurdon &

Aldens' Carriage Stoppin Centreville. G. F. STEIFER, Chairman.

Joseph F. Black, Secretary.

It is stated that Pedro II. Emperor of Bra-gi', intends to abdicate, and has called a con-ference of the principal petsuages of the country to arrange definitely the terms of his abdication, stating at the same time that his resolution was irrevocable. Don Pedro II., was born December 2, 1825, and was little issue than five years old when his father abdicated the crown in his favour. When he was fourteen years of age the Legislature passed a bill deplaring that he had attained his majority, and is 1840 he ascended the throne. Brazil, under his reign, has increased in power and property, and internal improvements have been in good con-
